

JAPANESE INDUSTRIAL STANDARD

JIS B 1186:2007

Sets of high strength hexagon bolt, hexagon nut and plain washers for friction grip joints  
(Amendment 1)

September, 2007

ERRATA

---

Page 2

12.3 Appearance inspection

Error: Delete “the roughness comparison specimens conforming to the requirements of JIS B 0659 or”.

Correct: Replace “the roughness comparison specimens conforming to the requirements of JIS B 0659” with “the roughness comparison specimens (see **JIS B 0659-1**)”.

---

Remarks: This erratum is for correcting the first edition of this Standard.
